The Trip of a Lifetime

It was great to be able to visit these sights and connect the places with specific Scriptures. The tour guide was extremely knowledgeable about each place we visited and helpful with any and all questions we had. The trip was very well planned; we did not have to worry about a thing! It was truly a vacation for the entire group. ~Ryan M.

I was so very pleased with every aspect of my tour! Thank you so much, Israel Bible Tours, for making my first trip to the Holy Land an experience of a lifetime. You really helped me to connect the dots between the history, culture and geography of the Bible. I will never read Scripture in the same way again! ~Corrie W.

My first trip to Israel was awesome. Thank you so much, Israel Bible Tours. Our guide was very knowledgeable and made sure we connected the sites with stories in the Bible. My guide also stayed with me at the airport when the airline cancelled my flight home and made sure that I was able to get on that flight. He and his family are so caring, loving, and great people. I would highly recommend this tour to anyone visiting Israel. ~Diane C.
